<b>NOTES:</b>		Industries listed here have a location quotient near or above 1 and positive employment growth.			The median annual salary for all occupations in the region was \$40,102.		
NA=Not available *Indicates that these entries correlate with four clusters identified by the Regional Council of Mayors in their Regional Competitiveness Initiative: Financial Services, Medical Devices, Distribution (Wholesale Trade), and Management of Companies (Headquarters' operations)							

1 2 3 4 5 6  
These numbers correspond to priorities that individual Workforce Investment Boards might consider. Columns 1 and 2 focus on business customers and where the "hot spots" are for business in the region. Columns 3, 4, & 5 are oriented toward meeting the needs of jobseeker customers looking for greatest number of openings, highest wages, or greatest number of current vacancies. Column 6 identifies the degree/credential generally needed for the listed occupations.
