

# Minneapolis Stay Healthy Streets

Street changes to support comfortable walking, biking and rolling while social distancing during the COVID-19 emergency

-  Parkways
-  Parkway expanded walk/bike space
-  Stay Healthy Street loop routes
-  Existing trail on loop route
-  Other walk/bike enhancements

\*Street changes are subject to change

\*The Minneapolis Park Board implemented many of these improvements and others were supported by Hennepin County, City of Saint Paul, and Ramsey County
