

Why license your pet?

- **It's a free ride home.** A currently licensed pet is eligible to be brought home at no charge once per calendar year.
- **Your pet is more likely to get back home.** Licensed pets are three times more likely than unlicensed pets to go home again
- **It's the law** for dogs, cats and ferrets
 - The rabies vaccine is also required by law and if your pet's rabies isn't current, neither is their license
- **It helps other pets.** Your pet's license helps Minneapolis Animal Care & Control
 - Shelter and feed lost dogs and cats and find them new homes
 - Educate the public about responsible pet ownership
 - Reunite lost cats and dogs with their owners
 - Any lost pet that is found injured will receive prompt medical attention
