**Ordinance Restrictions and Requirements for use of Critical Parking Permits**

- The Critical Parking Area Permit is applicable only within the boundaries of the Critical Parking Area (CPA) the resident/business resides in; during the times posted on signs in the Critical Parking Area.
- No resident may have more than two residential vehicle permits.
- A permit does not guarantee or reserve to the holder a parking space within a designated CPA.
- Permit holders remain subject to all city parking ordinances and restrictions placed upon any street within the city limits and the CPA.
- No person shall furnish false information in an application for a vehicle permit. A false application shall be grounds for revocation of the permit and is punishable pursuant to Section 1.30 of the Minneapolis City Code.
- Each dwelling unit is allowed one Visitor and one Service Permit (exceptions apply to certain areas and addresses).
- Residents are responsible for updating the license plate number for each permit, either through the permitting website or by phone: (877) 817-3745.

I, hereby attest to the fact that I am a (resident) or (employee) of the Critical Parking Area Listed above and that the information I have provided on this application is valid and true to the best of my knowledge. I have read and understand the information provided and agree to abide by the terms of use outlined by this application of Permit. *The vehicle I am purchasing this permit for is not a taxi cab or other commercial vehicle or trailer, bus or RV. I understand that it is illegal to place a permit on a taxi cab, recreational or commercial vehicle and agree to not do so.*
