

Cannabis Business Technical Assistance FAQ

- **Are for-profit companies eligible for this program or only non-profit organizations?**
 - Both for-profit and non-profit entities are eligible for this program.
- **Are pre-recorded trainings and seminars eligible for this program?**
 - All forms of technical assistance are encouraged to apply. The selection committee will evaluate proposals based on the relevance, accessibility, and comprehensiveness of services and the ability of the provider to engage with local businesses.
- **Are expenses paid directly or reimbursed?**
 - Selected applicants and the City will agree to a cost structure for services provided. Selected applicants will submit quarterly invoices of services provided and receive funds according to the agreed upon cost structure.
- **Can funds be used to pay for guest speakers at workshops and training events?**
 - Yes. Applicants are welcome to submit an application including whichever forms of technical assistance their firm is best equipped to provide and include a cost structure associated with that form of technical assistance.
