

Property Owners and Managers

YOU CAN:

- Avoid high cost evictions
- Stay out of court
- Improve communication with renters
- Utilize **FREE SERVICES**
- Collect lost income
- Lower your stress

What is mediation?

Mediation is really just sitting down together for a conversation using a neutral third party to help things go as productively as possible. A mediation can occur in person or online, and housing mediations are free-of-charge due to funding from the State of Minnesota. Call Conflict Resolution Center to talk to a housing specialist: (612) 445-7973.
