

## Hate Crime Prevention Technical Assistance

---

### Notice of Funding Availability Q&A

April 23, 2025

**Q:** Is the funding meant for consultants to identify organizations in Minneapolis and provide hate crime training to their staff, or can a nonprofit apply for funding and then partner with a consultant?

**A:** We are seeking consultants who would provide the training and advising that would be available.

**Q:** Who qualifies as an eligible recipient for deliverables under this grant?

**A:** Funding will be awarded to organizations providing technical assistance (consulting, training, etc.). The recipients of those services can be for- or non-profit organizations located in Minneapolis that have a reasonable basis that they may be victims of hate crimes.

**Q:** Can the audience for technical assistance/training be government officials?

**A:** Training for government officials would not be in scope for this funding opportunity.

**Q:** Does that grant get equally divided by the applicants who applies?

**A:** Total awards will be based on a combination of proposal quality, amounts requested, and the level of available funds.
