Documenting the source of funds for the business venture is one of the more critical aspects of completing a license application. It is important that all financial information related to business start-up is completely documented and verifiable by the City of Minneapolis. Applications will not be processed without complete information about the costs and source of funds for your proposed business. Attach documentation for all sources of your financing.

Attach two years of completed and filed 1040 federal tax forms for each applicant and individual providing funding for the business venture or corporate tax records, if applicable.

#### 2. Costs Reporting Form: Required

Individuals may be eligible for a loan, but approval may be delayed until a license is granted. In instances such as this, a letter of loan commitment from the lending institution setting forth the amount of the loan must be submitted along with a pledge from the applicant that the loan closing documentation shall be submitted upon its completion. A license will not be issued until a copy of the loan closing document is given to the Licenses staff. The business cannot operate until this is completed and approved.

5. Loans from Individuals - Many times applicants obtain personal loans from relatives or other individuals. In cases such as these, the loaning individual must provide the same documentation of the source(s) of these funds as required by the license applicant. For example, if an individual receives a \$10,000 loan from their parents, the applicant must attach the source of the parent's \$10,000 as well as tax records.

Attach a copy of each lender's source of funds and tax records; and

Attach a copy of the loan closing document(s) and/or copies of any accompanying promissory note(s); and

If the lender is not an owner of the business, applicants must provide a notarized statement regarding the terms of the loan; that the lender has no operational, financial or management interest in the business; the terms of the loan are independent of the business; and at no time in the future will the lender have a financial, operational, or management interest in the business. Any such involvement in the business will only be lawful if the lender and licensee go through the appropriate city licensing process.
