Introduction

The Minneapolis Department of Civil Rights Contract Compliance Division (“Division”) ensures that City of Minneapolis projects and contracts include women, minority, and low income people. The Division also ensures that workers on construction projects are paid in accordance with the law. This report summarizes the Division’s contract compliance activities through the first quarter of 2017.

Labor Compliance

- Monitor and enforce prevailing wage laws and Federal Labor Standards Act on projects.

Minority and Women Business Inclusion

Small and Underutilized Business Program

The Division administers the Small and Underutilized Business Program (“SUBP”) which redresses past discrimination and aims to prevent discrimination against minority and women owned business enterprises (“MBEs and WBEs”) in City procurement.

Goal Setting on City Procurement

Each City procurement opportunity is reviewed for specific goals based on the project scope, subcontracting opportunities, and availability of qualified MBEs and WBEs¹. This process is known as “Goal Setting.” Goals may be set on the following:

- Construction or development projects over \$100,000.
- Professional or technical services projects over \$100,000.
- Commodities and supplies contracts over \$50,000².

In the first quarter the Division reviewed **39** procurement opportunities for goals.

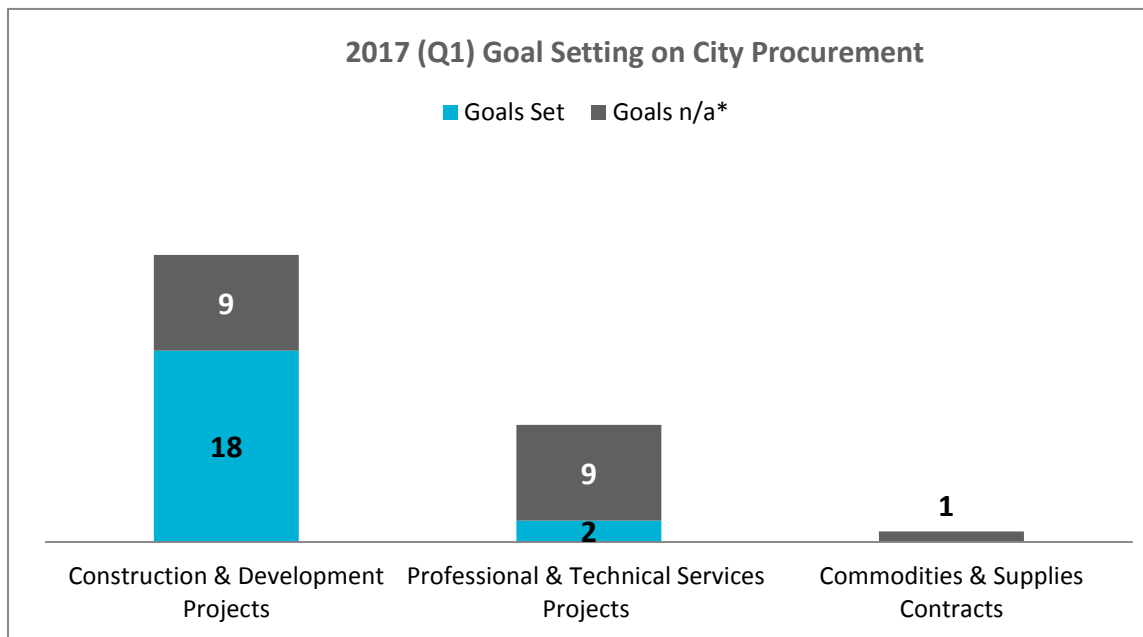

Figure 1: Displays number of procurement opportunities reviewed for project or contract specific goals.

Good Faith Efforts Reviews

A bidder or proposer must meet the established goals or demonstrate good faith efforts (make every necessary and reasonable effort) to meet the goals prior to bid or proposal submittal. To assist bidders and proposers in their good faith efforts to include MBEs and WBEs, a checklist of GFE requirements and a list of qualified MBEs and WBEs is provided with bid specifications and Requests for Proposals. If a bidder or proposer has not provided information at the time of bid opening that it will meet the stated goals, the Division will conduct a good faith effort (“GFE”) review to determine if the bidder or proposer made a good faith effort to meet the goals. Bidders or proposers not making a good faith effort are denied the contract. If the Division determines a bidder or proposer made a good faith effort, the Division will recommend the bidder be awarded the contract and it will

¹ Goals N/A: *Goals are not applicable if subcontracting opportunities are minimal, nonexistent, or there are insufficient numbers of available MBEs and WBEs

² The Division does not review commodities and supplies contracts unless the requestor is able to confirm that there are subcontracting opportunities.

be held accountable to its committed goal. The Division conducts monthly compliance to ensure contractors continue to make efforts to meet the established goals.

In the first quarter, the Division conducted nine (9) pre-award reviews. Four (4) out of nine (9) pre-award reviews met the goals for minority and women business inclusion. The other five (5) pre-award reviews that did not meet the goals; the Division conducted a good faith effort review of the contractor, of which three (3) were approved and two (2) were denied. One denied resulted in a request for reconsideration. A reconsideration meeting was held and the Division's decision was upheld.

Figure 2: Shows number of contractors approved or denied after a good faith effort review.

MBE and WBE Business Inclusion on Closed Construction and Development Projects

In the first quarter 12 construction and development projects with MBE and WBE inclusion goals were closed⁵ by the Division. The combined construction contract amount for the 12 projects was \$62,978,675. Of that, MBE participation was \$4,790,582 (8%) and WBE participation was \$4,255,891 (7%).

From 2014 to 2017 (through the first quarter) MBE and WBE total participation on closed construction and development projects was \$38,667,587 (7%) and \$47,871,628 (8%), respectively.

	# of Projects	Total Contract Amount	Participation ⁶	
			MBE	WBE
2014	43	\$228,256,622	\$17,670,260 (8%)	\$27,548,730 (12%)
2015	56	\$83,436,480	\$5,524,367 (7%)	\$5,474,611 (7%)
2016	37	\$189,084,774	\$10,682,378 (6%)	\$10,592,396 (6%)
2017- Q1	12	\$62,978,675	\$4,790,582 (8%)	\$4,255,891 (7%)

³ Closed projects are completed construction and development projects and the Division has conducted an administrative closeout process, which includes verification of payments made to MBEs and WBEs.

⁴ To obtain the participation percentage, the amount paid to MBEs and WBEs is divided by the total construction contract amount.

Total	148	\$563,756,551	\$38,667,587 (7%)	\$47,871,628 (8%)

MBE and WBE Business Inclusion on Priority Construction and Development Projects

Priority projects are projects with larger contract amounts and have greater socioeconomic impact. Please refer to the appendix to see a table summary of the 6 priority projects with MBE and WBE inclusion goals in progress during the first quarter. The table shows the priority projects' MBE and WBE commitments and current participation from the start of each project through the first quarter. Total participation through the first quarter is \$8,769,780 (11%) MBE and \$2,598,862 (3%) WBE.

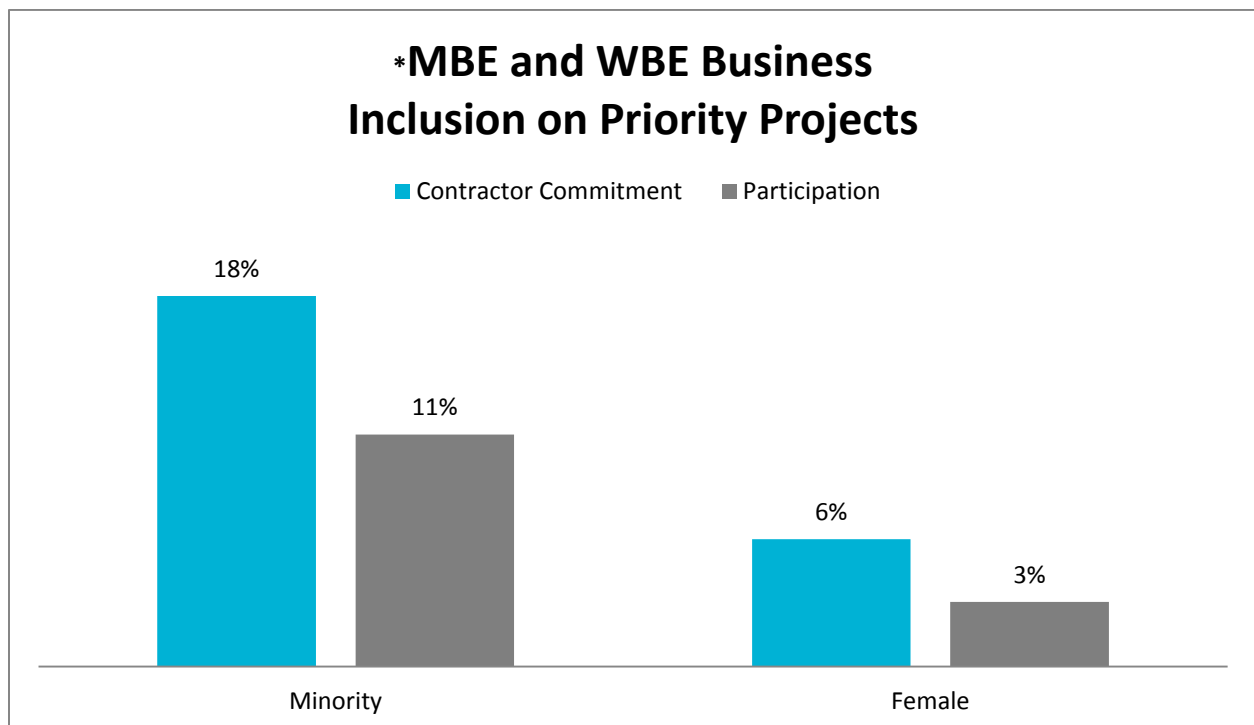

Figure 5: Compares the general contractors' commitments and actual participation of MBEs and WBEs.

Minnesota Unified Certification Program

To count towards the MBE and WBE inclusion goals, minority and women owned businesses must be certified as prescribed by the Minneapolis Department of Civil Rights director. The City has adopted the Minnesota Unified Certification Program (“MNUCP”) for the certification of minority and women owned businesses. The MNUCP is a group of state and local agencies certifying Disadvantaged Business Enterprises and MBEs or WBEs. Current certifying agencies are:

- City of Minneapolis
- Minnesota Department of Transportation
- Metropolitan Council
- Metropolitan Airports Commission

To become certified, minority and women owned businesses must meet the following criteria:

- At least 51% owned and controlled by a socially and economically disadvantaged individual.
- The disadvantaged owner(s) is a U.S. citizen or permanent resident.
- The business is for-profit.
- The business’ annual gross receipts do not exceed \$23.98 million or the Small Business Administration size standard.
- The disadvantaged owner’s personal net worth does not exceed \$1.32 million.

In the first quarter, the Division certified six (6) firms. As of March 31, 2017, there were 921 firms in the program, of which 550 were located in the City’s marketplace⁷, and 127 were located in the City of Minneapolis.

Company	Certification	Business Description
AMKA Global LLC	MBE	ANKA Global is a broker of 3M products specializing in mine and roadway safety equipment and signage.
DRT Benefits dba 121 Benefits	WBE	121 Benefits provides the following services: employee benefits administration including flexible spending accounts, HRA/VEBAs, HSAs, COBRA, Retiree Bulling and ACA reporting services.

Female and Minority Workforce Inclusion

In 2012, the City Council adopted aspirational goals set by the Minnesota Department of Human Rights for female and minority inclusion on all City construction and development projects over \$100,000. The goals are 6% of total project hours to be performed by females and 32% of total project hours to be performed by minorities. The Division monitors these projects to ensure contractors commit to use female and minority workers, adhere to their commitments, and make efforts to recruit, hire, and train females and minorities.

⁵ The City’s marketplace consists of the 11 county Metropolitan-area: Anoka, Carver, Chisago, Dakota, Hennepin, Isanti, Ramsey, Scott, Sherburne, Washington, and Wright.

Female and Minority Workforce Inclusion on Closed Construction and Development Projects

In the first quarter, 14 construction and development projects with workforce inclusion goals were closed by the Division. Total workforce hours for these projects were 323,499 hours, of which female hours were 17,858 hours (6%) and minority hours were 81,618 hours (25%).

From 2014 to 2017 (through the first quarter), total female and minority workforce inclusion on closed construction and development projects was 5% female hours (183,323) and 21% minority hours (720,508).

	# of Projects	Total Project Hours	Final Participation	
			Female	Minority
2014	60	1,352,400	77,140 (6%)	249,151 (18%)

Figure 7: Compares workforce inclusion of female and minority workers on closed construction and development projects.

Female and Minority Workforce Inclusion on Priority Construction and Development Projects

There were 8 priority construction and development projects with workforce inclusion goals in progress during the first quarter. The 8 projects combined construction contract amount was \$155,256,375. Through the first quarter, the total workforce hours for these projects were 507,284 of which female hours were 22,058 (4%) and minority hours were 123,363 (24%). In general, low workforce inclusion percentages are a result of female and minority workers not performing work in the early phases of the projects (please refer to appendix for table summary of priority projects).

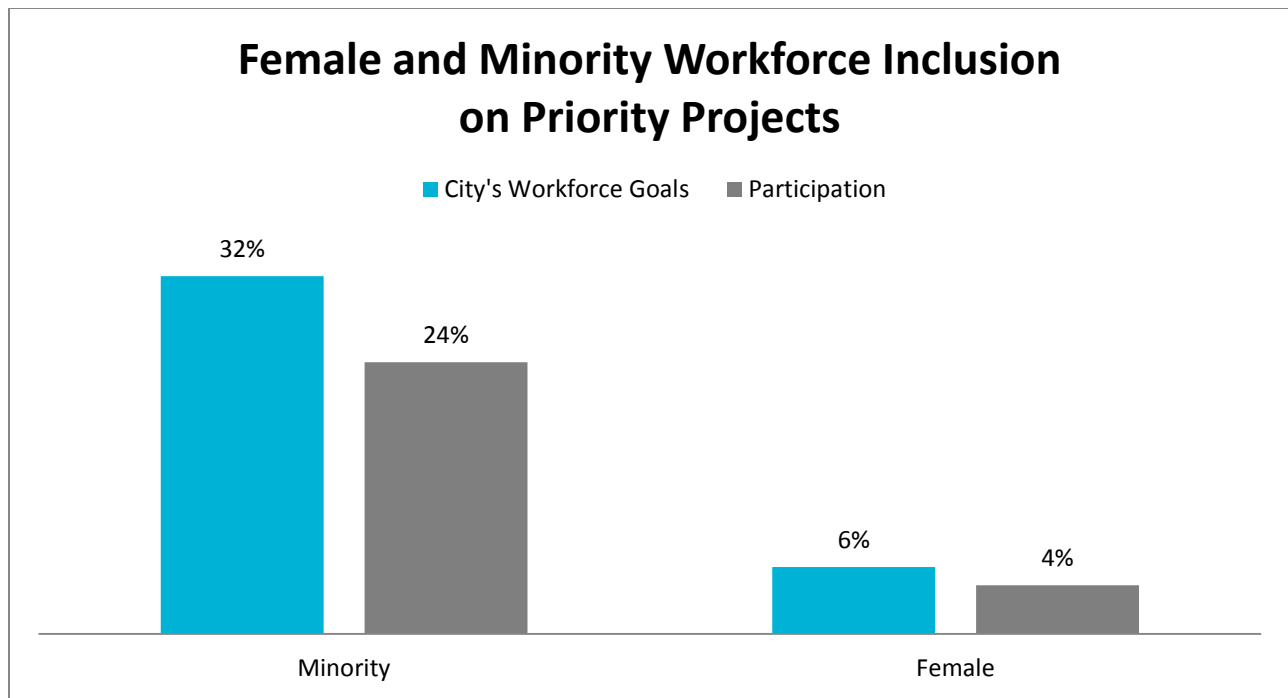

Figure 8: Displays workforce inclusion of female and minority workers on priority projects in progress.

Affirmative Action

In the first quarter, the Division processed and approved **28** affirmative action plans (“AAPs”) for City contracts and projects.

An AAP is a combination of policies and procedures a company utilizes to prohibit discrimination and promote equal employment opportunities for women, minorities and disabled individuals. Minneapolis Code of Ordinance 139.50(d) requires every developer, contractor, consultant, supplier, or vendor entering into a contract with the City to have an approved AAP on file with the Minneapolis Department of Civil Rights prior to contract execution if:

- The contract is over \$100,000.
- An amended contract’s cumulative amount is over \$100,000.
- There is more than one simultaneous active contract with a combined total over \$100,000.

Prior to contract execution, the Division receives requests for affirmative action approvals from City departments to ensure compliance with the ordinance requirement. The Division works with companies to develop, review, audit and approve the contractors’ AAPs.

HUD Section 3 Program

As a recipient of federal funds, the City and its contractors must comply with the HUD Section 3 regulation on Section 3 covered projects. HUD Section 3 ensures that jobs, training and contracting opportunities created by Section 3 covered projects shall be afforded to low income residents and businesses (Section 3 Residents and Section 3 Businesses). Section 3 does not supersede competitive bidding requirements, instead expressly encourages - to the greatest extent feasible - a Section 3 preference in the evaluation of bids. The goals on Section 3 covered projects are 10% Section 3 Businesses and 30% Section 3 Residents. The Division complies with Section 3 by:

- Enforcing compliance on Section 3 covered projects.
- Conducting a “greatest extent feasible” review on contractors.

- Certifying residents and businesses as Section 3.
- Maintaining a list of Section 3 Residents and Businesses and sharing with contractors.
- Identifying training and contracting opportunities for Section 3 Residents and Businesses.
- Reporting on Section 3 activities to federal government.

Section 3 Business Inclusion

In the first quarter, three (3) Section 3 covered projects were closed by the Division. The total construction contract amount for these projects was \$42,391,630. Of that, \$4,388,940 (10%) went to Section 3 Businesses.

Project	Construction Contract	Contractor Commitment	Section 3 Participation
Mill City Quarter – Phase 1	\$ 22,928,697	\$ 1,721,371 (8%)	\$ 2,841,420 (12%)
Little Earth - Phase VI	\$ 4,102,980	\$ 164,100 (4%)	\$ 218,248 (5%)
Broadway Flats	\$ 15,359,953	\$ 760,447 (5%)	\$ 1,329,272 (9%)
Total	\$ 42,391,630	\$ 2,645,918 (6%)	\$ 4,388,940 (10%)

Certification of Section 3 Residents and Businesses

In the first quarter, the Division received and is reviewing two section three resident applications. To date, the City's Section 3 list contains **183** Section 3 Residents and **30** Section 3 Businesses. Below are the Section 3 Residents and Business by City ward.

Figure 9: Displays the number of residents and businesses and the City Council ward where they are located.

Section 3 Collaboration

The Division has been closely working with local government agencies to form a Section 3 Collaborative to:

- Offer one centralized certification system.
- Standardize compliance and reporting practices.
- Collaborate on outreach efforts.
- Reduce stigmas associated with Section 3.
- Assist contractors to quickly identify Section 3 Residents and Businesses.

Current members:

- City of Minneapolis
- City of Saint Paul
- Minneapolis Public Housing Authority
- Saint Paul Public Housing Authority
- Anoka County
- Hennepin County
- Ramsey County
- Washington County

Labor Compliance

Construction and development projects covered by the federal Davis-Bacon and Related Acts, Minneapolis Public Works Ordinance, or the CPED Prevailing Wage Policy require the payment of prevailing wages to workers.

Wage Recovery

The Division ensures accurate wages are paid to workers. In the first quarter of 2017, the Division recovered \$1,308 for one (1) worker on one (1) project. This information is detailed below.

Project	# of Employees	Amount Recovered	Reason
OP 8137 - Bid for Rental of Construction Equipment with Operator and Supplies	1	\$1,308	Underpaid wages
First Quarter Total	1	\$1,308	

Apprentices

The division ensured workers classified as apprentices were registered in a State approved program, paid in accordance with their pay and benefit scale, and utilized within the approved ratios. Through the first quarter, **44** apprentice agreements were verified.

Outreach Activities

In addition to compliance, the Division continues to engage in outreach to assist contractors in meeting inclusion goals, affirmative action, and complying with prevailing wage. In the first quarter, the Division engaged in the following:

- Attended the South West Light Rail Train (SWLRT) “Great Minds” DBE/Workforce Construction retreat and workgroups.
- Held a General Contractor Training to inform contractors on City projects of City contract requirements like SUBP, Prevailing Wages, and other contract items.
- Hosted or attended eleven (11) pre-bid, pre-proposal or pre-construction meetings to discuss the City’s business and workforce inclusion goals.
- Attended the MnUCP “How to Present Yourself” event.
- Conducted three (3) MnUCP onsite inspections for DBE certification.

- Attended the Minnesota Minority Goods and Services Association meeting.
- Attended the Section 3 collaborative meetings.
- Partook in the Super Bowl Business Connect Pitch Day event to aid in the upcoming Super Bowl's supplier diversity.
- Attended the Small and Disadvantaged Business Opportunities Council (SADBOC) monthly meetings.

Target Center Renovation

The Division has been asked to report quarterly on the equity and inclusion activities placed on the Target Center Renovation project. Included in the appendix is a report that summarizes compliance activities on the Target Center Renovation through the first quarter of 2017.

Conclusion

The Division continues to be an essential part of the City's efforts to include women, minorities and low income people on City projects and contracts. For more specifics on closed projects discussed in this report, please see the appendix on the next pages. Previous reports can be found online at

Target Center Renovation – Background

Division staff was directed to ensure compliance with the following equity and inclusion provisions:

- Minority and women business inclusion on the Architectural and Engineering services contract.
- Minority and women business inclusion on construction contract.
- Female and minority workforce inclusion goals of 6% female and 32% minority.
- Local hiring of zip codes with high unemployment and high poverty.
- Inclusion of apprentices and professional interns.

In turn, these provision(s) were included as Equity Plan Requirements in the Request for Proposal(s) used to select the Architectural and Engineering Services (“A/E”) firm and the Construction Manager at Risk (CMaR). Compliance with the Equity Plan Requirements was a factor in vendor selections. The City selected and contracted with Architectural Alliance for the A/E services and Mortenson Construction (“Mortenson”) for the CMaR contract.

Professional Services Contract

Minority and Women Business Inclusion

Minority and women business inclusion goals were set at 8% MBE and 11% WBE based on the project scope, subcontracting opportunities, and availability of qualified MBEs and WBEs.

Architectural Alliance provided a proposal that detailed commitments of 9% (or \$599,250) MBE and 10% (or \$709,900) WBE (see chart below). The Division confirmed with the MBEs and WBEs their intent to contract with Architectural Alliance. A good faith efforts review was conducted and the Division determined Architectural Alliance made a good faith effort. The City entered into contract with Architectural Alliance for \$7,000,000.

Through the first quarter of 2017, Architectural Alliance has been paid \$8,404,757. Of that, MBE participation was 7% (or \$583,538) and WBE participation was 11% (or \$888,518).⁸ The contract is 92% complete through the first quarter.

Construction Contract

⁸ Participation is verified through payments made to MBEs and WBEs.

Mortenson provided a detailed Equity Plan with their proposal that outlined its commitments to community engagement, business and workforce diversity inclusion. Their plan also included partnerships with mid-sized minority owned Thor Construction and Tri-Construction, a minority-owned North Minneapolis-based construction company.

On April 12, 2016, a pre-construction meeting was held between City staff and Mortenson. All compliance details of the equity and inclusions provisions were discussed in detail. Mortenson will provide detailed Monthly Compliance Reports to the City.

Below is a summary update of compliance through the first quarter of the equity and inclusion provisions. The contract is 46% complete through the first quarter.

Minority and Women Business Inclusion

Minority and women business inclusion goals were set at 9% MBE and 11% based on the project scope, subcontracting opportunities, and availability of qualified MBEs and WBEs. On December 17, 2015, Mortenson held a subcontractor information session to engage stakeholders and diverse businesses.

Total participation through the first quarter is \$7,757,717 (9%) MBE and \$10,499,933 (12%) WBE.

Female and Minority Workforce Inclusion

Workforce inclusion goals are 6% female and 32% minority. Through the first quarter, the total workforce hours were 163,621, of which female hours were 16,362 (10%) and minority hours were 57,267 (35%).

Local Hiring

The local hiring provision requires that efforts are made to employ residents from Minneapolis zip codes with high-poverty and high unemployment. Through the end of first quarter 2017, 52 workers from the targeted Minneapolis zip code area worked on this project.

Apprenticeships

The apprenticeship provision requires that 10% of workforce hours shall be apprentices. Through the first quarter 29,452 (18%) hours were performed by apprentices.

Professional Interns

The Division utilized its Urban Scholar to also engage in compliance work related to the project. Mortenson and the City will discuss obtaining an Urban Scholar for next summer.

Conclusion

The Division continues to work closely with Architectural Alliance and Mortenson to ensure compliance with the equity and inclusion provisions. Updated quarterly reports will be provided per the staff direction.
