

2020 HUD CONSOLIDATED PLAN ACTION PLAN

AMENDMENT NOTICE

WHEN: Public Comment period October 1 - October 6, 2020

PURPOSE: To provide public notice of a proposed Amendment to change the Homelessness Response project description for the City’s Community Development Block Grant CARES Act (CDBG-CV) supplemental funding to allow for funding of homeless emergency shelter operations.

The City of Minneapolis invites you to review and comment on a proposed Amendment to Minneapolis’ FY 2020 Consolidated Plan Action Plan. The Amendment proposes to add to the description of the Homelessness Response project the consideration of providing operations funding support as an allowable use of CDBG-CV funds. The support of operations funding for homeless emergency shelters will expand the City’s ability to address responsive actions to the outbreak of COVID-19 and its effect on those persons who are unsheltered in the community. The Minneapolis City Council will take up consideration of this Amendment and hold a public hearing on the Amendment before its Business, Inspections, Housing & Zoning Committee on October 6, 2020.
