a) Body Worn Camera (BWC) Review

- i) There is no known BWC for incident.
- ii) BWC was active in the location and same day listed in complaint. That BWC was in relation to a multi-unit apprehension of suspects in a residential area. Multiple officers were present with weapons and flashlights drawn as they were securing the scene looking for and arresting/detaining suspects. Unclear which officer/s would have had the interaction with complainant as the interaction is not known to be captured.
