

Safe Routes To School

Cityview School

Project Background

The goal of Safe Routes To School projects is to make it easier to bike and walk to school. This project will build pedestrian and bicycle improvements near Cityview School in 2023. The project will also help improve connections to other bikeway facilities and parks.

Project Goals

The goals of this project include:

- Make it safe, convenient and fun for students to walk, bike, and roll to Cityview school
- Improve traffic safety for all travelers
- Integrate traffic calming elements that reduce vehicle speeds adjacent to Cityview School.
