This application is for firms that wish to be recognized as a Vendor with The City of Minneapolis and listed on the City's Vendor List. To continue, click **Start Vendor Registration** at the bottom of the page.

The execution of every City contract over \$100,000 is subject to the Affirmative Action Plan (AAP) requirement. The AAP requires that the contractor or vendor submit an AAP to the Contract Compliance Division (CCD) and CCD must approve the plan. This known as the Pre-award process. There are three (3) options for submitting a plan.

1. Do you have an AAP approved by either the Minnesota Department of Human Rights (MDHR); City of Minneapolis (COM) or the National Employment Contractors Association (NECA)? If yes, please submit a Certificate of Compliance received from any of these agencies.
2. Submit a Full AAP if: you are entering into City contracts over \$100,000 and employ over 40 full-time employees.
3. Submit a Modified AAP: If you are entering into City contracts over \$100,000, and employ 40 or less full-time employees.

The second way to submit a questionnaire/AAP is to follow the steps below:

Step 1 – CCIMS landing page – <https://mpls.diversitycompliance.com/?TN=mpls>. Click “Submit an AAP”:

AFFIRMATIVE ACTION PLAN (AAP)

Search for vendors with an active AAP with the City or submit your Affirmative Action Plan for approval.

Submit an AAP

Step 2 – Vendors should log in if they already have an account, or create an account.

Submit your Affirmative Action Plan

Thank you for your interest in doing business with the City of Minneapolis!

Using the Vendor Compliance System, submitting an AAP only takes a couple of minutes. After registering your company, you will automatically be logged into the system and directed to submit your AAP.

All firms must be invited by the City of Minneapolis Department of Civil Rights to submit an AAP. The City only requires an AAP from vendors who have an active contract or are in the process of being awarded a contract. If you have not received an email to submit an AAP or do not have an active contract with the City you do not need to submit an AAP.

The execution of every City contract over \$100,000 is subject to the Affirmative Action Plan (AAP) requirement in the Minneapolis Code Ordinances 139.50(e). This includes contract amendments that exceed \$100,000 or a combination of current contracts (to one contractor or vendor) exceeding \$100,000. Before the City may enter into a contract with a contractor or vendor, the contractor or vendor must submit an AAP to the Contract Compliance Division (CCD) and CCD must approve the plan. This is known as the Pre-award Review process.

There are three (3) options for submitting a plan.

- Do you have an AAP approved by either the Minnesota Department of Human Rights (MDHR); City of Saint Paul, Minnesota Mechanical Contractors Association (MMCA) or National Electrical Contractors Association (NECA)? If yes, please submit a Certificate of Compliance received from any of these agencies.
