Energy Benchmarking Reporting Extension or Exemption Request

An exception to the City of Minneapolis commercial/multi-family building energy benchmarking ordinance (Ordinance 47.190) for the **current reporting year** is requested for the following building:

Request for: Exemption Extension - data will be submitted by _____

Contact Name: _____ Office Phone: _____

Company Name: _____ Mobile Phone: _____

Building Address: _____ e-mail: _____

This property is requesting an **exemption** from the **June 1** deadline because (attach documentation):

The building is presently experiencing qualifying financial distress in that the building is the subject of a qualified tax lien sale or public auction due to property tax arrearages, the building is controlled by a court-appointed receiver based on financial distress, the building is owned by a financial institution through default by the borrower, the building has been acquired by a deed in lieu of foreclosure, or the building has a senior mortgage which is subject to a notice of default.

- The building or areas of the building subject to the requirements of this section have been less than fifty (50) percent occupied during the calendar year for which benchmarking is required.
- The building certificate of occupancy was issued less than two (2) years prior to the applicable benchmarking deadline.
- Other _____

This property is requesting a **45-day extension** from the **June 1** deadline because (attach documentation):

- The property owner/manager is actively working on collecting data. A delay in obtaining energy or water use data beyond the control of the property owner/manager will result in the energy use data not being submitted by the reporting deadline.
- Other _____

Please provide evidence of the need for an exemption or an extension. Examples of this may include a rental report for your space showing less than 50% occupancy or an e-mail request for data that you are waiting for a response. Any piece of evidence that demonstrates your need for an extension will help your ability to get an extension approval.

You may e-mail your completed application to MPLSEnergyStar@minneapolismn.gov or mail it to the Environmental Services address above.
