### **Clinic Registration and Consent**

Clinic consent needs to be given once during a student's high school career. If you have already given consent, you do not need to complete this portion of the form again.

#### What if consent is not submitted to the clinic?

Students under the age of 18 cannot be treated for health-related services without parental/guardian consent. This form must be completed and returned in order for the Minneapolis School Based Clinics Program to provide services to a student. Minnesota law, however, allows a minor to seek medical treatment under certain circumstances without parental consent. This includes emergency mental health care, pregnancy testing and counseling, contraceptive exams and prescriptions, and sexually transmitted infection diagnosis, treatment and education.

#### Consent

#### By signing this form you agree that:

- This student has your permission to receive services offered by Minneapolis School Based Clinics Program.
- Minneapolis Public Schools may give information about the student's class schedule, daily attendance, and immunizations to the Minneapolis School Based Clinics Program.
- The Minneapolis School Based Clinics Program may use student health records to evaluate quality of care and program effectiveness.
- You have read and understood the services of the Minneapolis School Based Clinics Program.
- You give permission to bill your health insurance carrier or medical assistance for medical and mental health services received. This would also apply if you do not currently have insurance and get it later.
- This permission will remain in effect until the student reaches 18 or until changed by you in writing.
- You give permission for Covid-19 test results to be shared with the Minneapolis Public Schools Contact Tracing team.

Student Name <i>please print</i>	-
Student Signature <i>if over 18 years of age</i>	Date
Parent/Guardian Name please print	-
Parent/Guardian Signature	 Date

Please submit this completed form to the school based clinic in your school.

For more information, please visit <a href="www.minneapolismn.gov/sbc">www.minneapolismn.gov/sbc</a> or contact the program manager at 612-673-5305 or your school based clinic.

# 2022-2023 Parent/Guardian Survey

**Parent/Guardian:** Please tell us what you think about the health clinic located in your child's high school. Your answers will help the staff improve services and better meet the needs of students and their parents/guardians.

This survey is anonymous, so please do not add your name or your child's name.
