From: Minneapolis Pedestrian Advisory Committee

Date: January 4, 2017

Subject: January Resolutions – Capital Improvement Plan (CIP) 2018-2022

Capital Improvement Plan (CIP) 2018-2022

The Minneapolis Pedestrian Advisory Committee enthusiastically supports the list of projects presented, specifically the formation of the new Programs that allow focus on strategic issues identified in both the Pedestrian Master Plan and PAC Vision and Strategic Priorities. The PAC is appreciative of the effort taken to ensure geographic equity and addressing needs called out by partner organizations such as the Minneapolis Highrise Representative Council.
